

Women's Owned Business

Online Impound Auctions LLC is proudly a minority-owned business with over 50% women-owned and over 25% minority-owned. We are in the process of formalizing this with the SBA.

Towing Operator Created

Online Impound Auctions is the result of a 10 year exercise from a Towing Operator determining how to both:

- Maximize monies received for abandoned vehicles
- Minimize the event effort to hold an auction

Seller Benefits:

- Free to sellers - lowest bidder costs in the industry!
- More profit per auction!
- Larger bidder base = higher selling price per car!
- Cars stay on your lot - no movement required!
- Eliminates on premise auction costs like security, staffing and food!
- Easy online showroom setup.
- Streamlines after auction paperwork - invoices available immediately after car sells!
